

Agritech Future Skills Series by NTUC LearningHub X Netatech

# Grow Your Skills to Be Part of Singapore's Sustainable Food Future

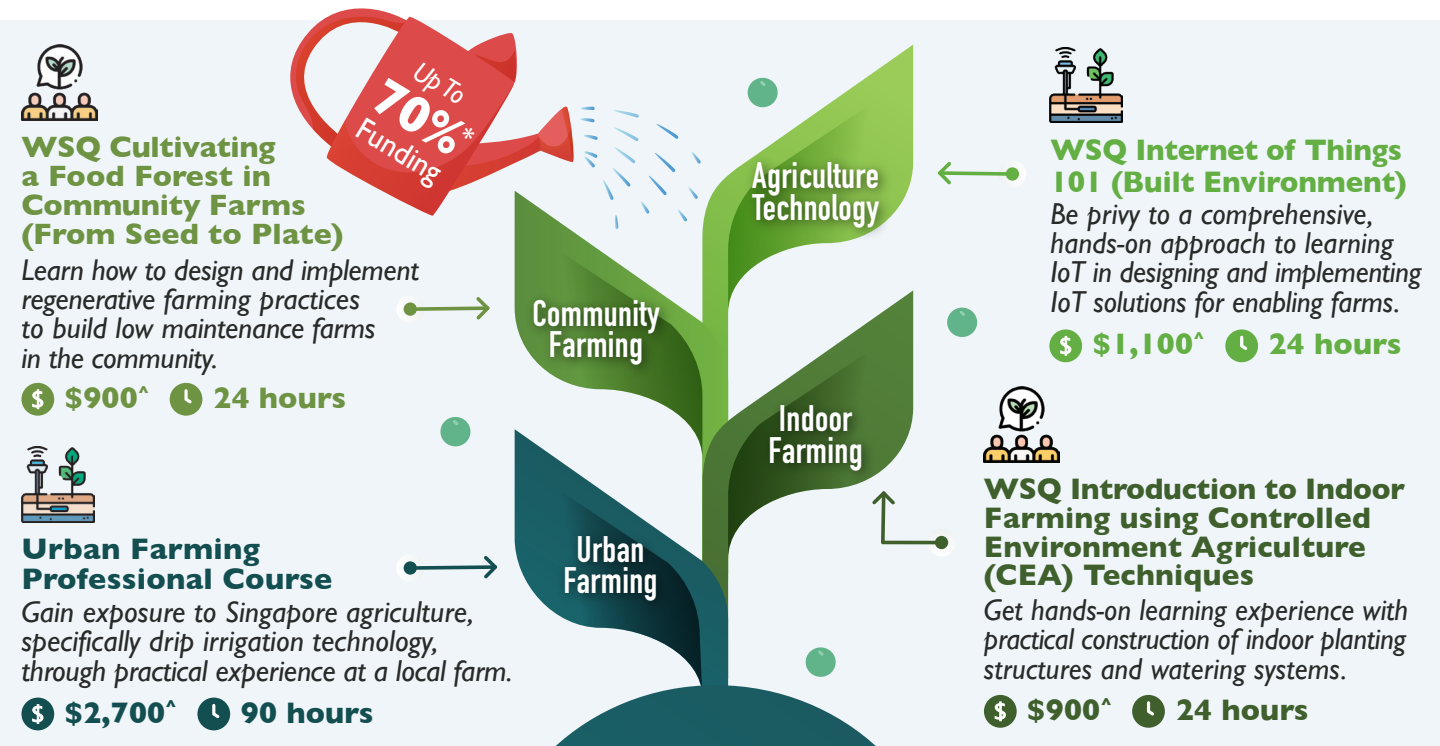

Embrace the opportunity to unlock your potential in the fascinating world of Agritech, where you can play a pivotal role in Singapore's ambitious "30 by 30" goal – producing 30% of our food locally by 2030.

Whether you find delight in cultivating your own greens, harbor a passion for agriculture, or seek an enriching career path, look no further than our **Agritech Future Skills Series**. This series is designed to empower you with practical, hands-on training in a variety of areas, including urban farming, indoor farming, community farming, and Internet of Things (IoT) integration.

**Don't miss out on this golden opportunity! Join us now and cultivate a sustainable future for yourself and Singapore's food security.**

**Who should attend:**  
Mid-Career Switcher / Entrepreneur / Hobbyist / Retiree

**Job roles that require these skills:**  
Business Development Manager / Sales Representative / Farm Specialist / Researcher / Horticulturist / Vertical Farming Technician / Agricultural Engineer / Urban Agriculture Educator

\*Receive up to 70% SkillsFuture (SSG) funding. NTUC Members can enjoy up to \$250 Union Training Assistance Programme (UTAP) funding. Selected courses are eligible for SSG Credit / Post-Secondary Education Account (PSEA) funds.  
Terms and conditions apply. Visit <https://www.ntuclearninghub.com/terms-of-use> for full terms and conditions.  
^The course fees stated are excluding GST and before applying any funding.
